

BAL BHARTI INTERNATIONAL SCHOOL

SUJANGARH

Class VIII (Holiday Homework)

ENGLISH

- Q1. Design a poster to increase awareness among the people on COVID-19 and the precautions that should be taken to prevent it. Also give a catchy slogan.
- Q2. Write an article in not more than 250 words describing your fears, concerns and thoughts on the global pandemic of Corona virus.
- Q3. Write a letter to your cousin who stays in another city describing your feelings and sharing your views on the pandemic. Also talk about your inability to visit him/ her during the summer break due to the lockdown.
- Q4. You came across a newspaper article and various news reports showing various images of how nature is healing itself during this period, when humans are under the lockdown. Do your bit towards nature and plant a sapling/ any seeds. Along with it, you realised that your physical and mental health along with your family, is of utmost importance in life. So you decide to make a new start everyday and do various activities like helping your mother in the daily chores, yoga, meditation etc. Make a comic strip of these activities showing how you spent your quarantine period.
- Q5. Read the following books online (1. Adventures of Pinocchio 2. Robinson Crusoe) and write: a. Synopsis of the book, b. The character you liked the most and why c. 10 new words with their meanings, synonyms and usage in a sentence.

SCIENCE

1. Dear students during summer days we prefer to wear cotton clothes. Let's perform an activity to know more about clothes. You need to wear any T-shirt made of synthetic fibre especially nylon for some time and do any exercise. On next day experience the same exercise by wearing cotton T-shirt. Now try to answer the following and write in your own note book.

- Which T-shirt make you comfortable to wear?
 - Which T-shirt has absorbed more sweat?
 - Hold the small piece of these clothes in a forceps. Burn these pieces separately. Observe the difference in burning and smell and mention on your note book. Please take help from your parents while doing this activity.
2. Crops play an important role in our daily life. Classify the crops on the basis of:
- Oil yielding crops.
 - Crops that yield carbohydrates.
 - Crops that provide proteins.
 - Crops that are used as vegetables.
